24 Men Report for the First M. H. S. Practice

Of This Number Nine Letter Men Were On the Field—Training Starts This Week

Twenty-four men reported to the College gridiron last night in answer to L. E. Ziegler, coach, first call for football practice at the high school.

Five letter men were lost by graduation. They were O'Banion, Jones, Hartman, Masters, and Mountjoy.

There will probably be nine letter men, including Captain-elect Homer Ogden, who plays end, that will wear the green and black in the football games this fall. They are as follows: Bush, center; Curfman, tackle, Willoughby, quarter-back; Phipps, guard; Epperson, guard; Roelofson, center and end; Chick, quarter-back or utility man in back-field; Miller, half-back. It is not known whether Carstens and Fannon will be back for berths on the team.

All of the above letter men were out for practice except Captain Ogden who is still in Colorado. In addition to these the following men were at practice: Godsey, Cockayne, L. Smith, P. Brown, L. Kissinger, Kissinger, Lowry, Herndon, Wright, Westfall, I. Miller, Wilson, Bratcher, Holt, R. Curfman, Aley, Hall.

The practice consisted of passing, kicking and catching the ball and also some road work to develop the wind.

The schedule for the high school will not be arranged until the coaches meeting at St. Joseph. This will be in about two weeks. It is practically assured that this years season will include a game with the rival Trenton squad. The Trenton game is always the hardest fought game of the year. Trenton loses but three men by graduation and this year a battle royal should be expected. Last year Maryville defeated Trenton.

Training season starts this week and with extra hard work-outs, the Spoof-hounds will be in condition to play any team in three weeks.

LEAMER INJURED IN AUTO COLLISON

NEAR DAVE 'WRIGHT HOME, 3 MILES WEST OF SKIDMORE.

HIS CONDITION SERIOUS

Car Driven by Leamer and Car of Ted Deffenbaugh Collided on Top of Hill—Deffenbaugh Injured.

Harry A. Leamer of Maryville was seriously injured in an automobile accident near the Dave Wright place, three miles west of Skidmore about one o'clock this afternoon when his car and a car occupied by Floyd Deffenbaugh, Ted Deffenbaugh and William Haynes of near Skidmore, collided.

The condition of Mr. Leamer was reported to be dangerous. It was said that Mr. Leamer was unable to be moved to the St. Francis hospital in this city on account of his condition. Dr. Manning of Skidmore was called soon after the accident and Leamer was taken to the Wright home.

Dr. C. V. Martin of Maryville was called and said late this afternoon that Leamer was injured internally but it was impossible to tell at this time how badly injured he was.

The accident occurred on a hill in front of the Wright home. Leamer was driving west on the hill and Deffenbaugh was coming east. It was said both drivers attempted to turn out but that both turned the same way and the two cars collided. Ted Deffenbaugh was injured in the accident, but his injuries are not considered dangerous. His brother, Floyd Deffenbaugh, and William Haynes were not injured to any extent.

The two cars were badly damaged Mrs. Leamer was taken to the Wright home soon after the accident by Arch Frank.

The Leamers reside at 211 East Lawn avenue in Maryville.

Mr. Leamer is a traveling salesman for a stock powder company.

An ambulance from Price & Sons left Maryville a little after 3 o'clock for the Wright home near Skidmore to bring Harry Leamer to St. Francis Hospital in this city.

M. H. S. Seniors Plan to Have a Book Store

The senior class of 1924 held its first meeting at the high school yesterday afternoon. At the meeting it was decided that the seniors should run a book store at the high school and donate the profits to the senior fund.

The seniors plan to purchase second hand books and sell them for a slight profit. The store will be in the commercial department at the high school.

A committee was appointed to be in charge of the store. Eldon Dow was elected business manager with John Curfman as his assistant. Marie Chandler and Maurice Chick were elected secretary and treasurer of the store.

The store will start work this week.

949 ENROLLED IN PUBLIC SCHOOLS

314 OF THESE ARE HIGH SCHOOL STUDENTS—293 FROM WARDS

LAST YEAR TOTALED 997

Low Number Enrolled In School System Accounted For By Large Graduating Class of 1923

In the check-up of enrollment figures at the Maryville Public School it was found that Maryville has 949 school pupils that were enrolled up until noon yesterday. Of this number 314 are high school students, 342 grade pupils at the central building and 293 pupils at the three ward schools.

There will probably be at least twenty-five more enroll before the end of the week.

Last year the entire enrollment of the Public school system was 997. 352 of these pupils were enrolled in high school and 645 in the grade school. This year's enrollment is far behind last year on account of graduating such a large senior class last year. The number in the class was sixty-nine.

The enrollments for the three ward schools, the Jefferson, Franklin and Garfield were announced this morning by Supervisor, Dora B. Smith. They are as follows:

At the Franklin School: 1B, twenty-three, 1A thirteen, 2B fourteen, 2A six, 3B eleven, 3A ten, 4B twelve. This makes a total of eighty-nine pupils.

The enrollment at the Garfield Ward School as announced this morning was as follows: 1B twelve, 1A seven, 2B thirteen, 3B twenty-one, 3A thirteen, 4B twenty-one, making a total of eighty-seven students at the Garfield school.

The enrollment at the Jefferson Ward School was 1B twenty-two, 1A seventeen, 2B twenty-seven, 2A eight, 3B twenty, 3A eleven, 4B twelve. This makes a total of 117 pupils at the Jefferson School.

Book Stores Run Low on School Supplies

Schools Experiencing Difficulty in Securing Texts—Demand is Greater Than Ever Before

Some of the schools throughout the County are experiencing considerable difficulty in securing books for the pupils. There has been a far larger demand for school supplies than was anticipated by the book stores in Maryville and as a result their shelves are about depleted. However, there will not be much time lost by delay, as it is expected that other shipments of books which were ordered recently are expected to arrive by Saturday.

One of the local book dealers said this morning that they have no way of making an estimate of how big a supply should be kept on hand. It is a mere matter of guess work of deciding how many to order. At that he said they had a much larger supply of books on hand this year than any year previous.

Each school district has the privilege of determining whether the district buys the books and can vote on the proposition. It is the free districts that have come in and bought supplies in car load lots that have rendered the stocks of book stores here so low. One day this week the school at Ravenwood bought books here in wholesale lots.

L. Kaufman of the Economy store came yesterday from Kansas City to spend the rest of the week here.

WILL START DRIVE FOR JAPAN RELIEF

$1,000 TO BE RAISED BY LOCAL RED CROSS CHAPTER.

MAKE PLANS TONIGHT

Executive Board of Nodaway County Chapter of Red Cross to Outline Work for Campaign.

A campaign in Nodaway County to raise $1,000 for the relief of the unfortunate persons in the earthquake area of Japan will be started immediately. The campaign here is in connection with others, being carried on by Red Cross chapters in the various sections of the country.

The American Red Cross has been asked to contribute 5 million dollars toward the relief of the suffering in the devastated areas of Japan.

A meeting of the executive board of the Nodaway County chapter of the American Red Cross will be held tonight and plans will be made for the campaign in this county. It is expected that there will be little difficulty in raising the quota of $1,000.

Plans of the campaign will be announced tomorrow. In the meantime, contributions may be given to W. N. Deatherage at the Farmers Trust Co. He is treasurer of the Nodaway County chapter of the American Red Cross.

Miss Betty Turner, secretary of the local chapter, has just received the following message from the headquarters of the Southwestern Division of the American Red Cross at St. Louis:

"President Coolidge has today charged Red Cross with responsibility of raising 5 million dollars for Japanese relief fund. Chapter executive committee should meet immediately to organize campaign for raising your quota or $1,000. Important to remit amounts collected each day, so money can be cabled Japan as raised. Disaster is of such magnitude and suffering is so intense that no time can be lost. American people will answer humanity's call."

President Coolidge's proclamation, calling upon the American people to contribute 5 million dollars to relieve the suffering of persons in the earthquake zone, is as follows:

"To the People of the United States:

"An overwhelming disaster has overtaken the people of the friendly nation of Japan. Tokio and Yokohama, and surrounding towns and villages, have been destroyed by earthquake, fire and flood with a resultant appalling loss of life and destitution and distress, requiring measures of urgent relief.

"Such assistance as is within the means of the executive department of the government will be given, but realizing the great suffering which now needs relief and will need relief for days to come, I am prompted to appeal urgently to the American people whose sympathies have always been so comprehensive, to contribute in aiding the unfortunate and giving relief to the people of Japan.

"In order that the utmost co-ordination and effectiveness in the administration of the relief funds be obtained I recommend that all contributions, clearly designated, be sent to the chairman of the American National Red Cross at Washington or to any of the local Red Cross chapters for transmission to Japan."

Washington, Sept. 6 — Generous Americans are rising to the relief of Japan just as they poured their dollars into the devastated war zone, officials of the American Red Cross said today, after receiving preliminary reports from various sections on the progress being made in the 5 million dollar drive.

There was an unofficial estimate that already approximately 2 million dollars has been raised and contributions are coming in steadily.

Mrs. Alfred Vaught and Mrs. Henry Bish of Memphis, Mo., who have been visiting at the home of their brother, James Colvin, on West Third street, left today for their home.

TO ADVISE PROPER FOOD FOR CHILDREN

MANY MINORS NEED ADVICE ON WHAT TO EAT

FOOD SPECIALIST HERE

Miss Smith Will Arrange For Work At College—To Co-Operate With Officers Here

"Tell me what you eat and I will tell you what you are." Food that does not nourish sufficiently causes many children to be below par and frequently children struggling under the handicap of improper food are prevented from developing into strong and healthy grown people and getting the keenest joy out of life.

Recent investigations have shown that one out of every three children need advice on what to eat. This is true in both the city and country. There are as many children among the well-to-do families as among the poorer ones who need food advice and unless they and their parents receive it while there is yet time for changes to come, when the child grows up the same conditions will be present as were found when our men were drafted for the army, one out of five men being found physically unfit for service because of malnutrition.

You ask, what is malnutrition? It is the physical condition which makes a child seem tired, look pale, stand badly, have thin arms and legs and be underweight. Nutrition classes will help correct this condition by interesting the child in a desire to gain and by telling both mothers and children how the condition found may be corrected and how it may be prevented from occurring again.

There are a good many things that cause malnutrition. It may be bad teeth, diseased adenoids or tonsils, or other physical defects. It may be bad habits of eating, that is, liking the wrong food, fast eating, irregular meals and too long between meals. It may be caused by children getting insufficient rest or ever tiring themselves. It may be because they do not get sufficient exercise in the open air.

The Maryville Chapter voted to employ a nutrition specialist for a few months, who will help to show the community how such conditions may be corrected. She will give special attention to those as much as 10 per cent underweight and considered malnourished.

In the nutrition classes for children she will teach what foods to eat so that bones and teeth will be strengthened, helping the children to understand how cereals, eggs and spinach make iron in the blood and how butter, milk, vegetables and cereals contain "vitamines" that will make the children grow up strong.

When the worker goes she will leave behind her the loyal support of the teachers and children who have had training in what to eat to be healthy; mothers who have secured advice in how to feed their family in order to get the best results. Doctors, who having had an opportunity to examine children who were not sick but were just not well, will follow-up their little patients. She will probably have created a demand for cooked cereal, fruit and vegetables that will increase the sale of these articles at the grocery stores.

Steel Workers Will Get Wage Increase

13,000 Employes of Gary Steel Mills to be Benefitted by Hikes Ranging from 25 to 33 Per Cent

Gary, Ind., Sept. 6—Gary today celebrated the announcement that wage adjustments in the steel mills would give 13,000 employes nearly as much under the new eight-hour day as they got under the old twelve-hour shifts.

Announcement was made that wages would be increased from 25 to 33 per cent.

2,000 steel workers are now working eight hours a day.

46 Students at the Orchestra Rehearsal

Forty-six students reported to the first orchestra practice held at the high school auditorium. Loren Schnabel, the director, said that several more were expected but were unable to come on account of sickness. Last year the average attendance was about thirty.

The orchestra spent the time going over easy selections and making plans for the coming year for the orchestra members to follow. Mr. Schnabel urges all of the high school students that play musical instruments to come out to all of the practices as it is just as important to support the school in orchestra as any other activity.

DEATH TOLL IS CUT BY LATE REPORTS

ESTIMATE 10,000 ARE DEAD IN TOKIO.

AMERICAN EMBASSY SAFE

American Destroyers are Aiding in Relief Work Near Yokohama—Emperor Sends Message.

Tomiooka, Japan, Sept. 6—30,000 persons including Americans and other foreigners perished in the great disaster, said a statement from the Japanese home office today. 100,000 were injured, some seriously. The houses destroyed were placed at 350,000.

The scene in Fukagawa was described as pitiful. 2,500 refugees are there without shelter and provisions are scarce. Yohohama was demolished, the home office stated.

The fate of the great Japanese naval base at Yokosuka and its inhabitants are unknown, the statement says.

Manila, Sept. 6—A radio message received here today indicated that the total dead in Tokio will amount to 10,000. The message stated that the first estimates had been greatly exaggerated. From three sources, the reports of 10,000 dead in Tokio had been received. Other estimates from semi-official sources had placed the casualties at 150,000 in Tokio alone.

Washington, Sept. 6—All members of the American embassy in Tokio have been accounted for, according to official dispatch to the state department today.

Ambassador Woods reported the safety of all his assistants.

Washington, Sept. 6—President Coolidge today received the following cablegram from the Emperor of Japan.

"Deeply touched by your profound sympathy in our appalling calamity. Kindly beg you to accept my heartfelt gratitude to you and the American people."

Washington, Sept. 6—Twelve American destroyers are now anchored near Yokohama aiding in relief work, while the destroyer, Blackhawk, loaded with supplies, is speeding from China to Japan, the naval department announced today.

Washington, Sept. 6—Reports that Premier Yamanto was missing were discounted here today at the Japanese embassy. Officials pointed out that they had received dispatches from the Premier on September 2, while reports that he was missing were dated September 1.

Manila, Sept. 6—The Japanese consulate here today received the following semi-official message from a Japanese warship:

"At the time of the first earthquake Premier Yamanto was injured by the falling of the second story of the Naval Club. The day following his nomination as Premier, he went to the Naval Club and at the entrance met several rowdies who attacked him.

"However, following the tidal wave, he together with the minister of railways and former minister of the navy and attorney general are missing."

Washington, Sept. 6—More than a million dollars has been raised in the metropolitan districts today for the national Red Cross fund for relief in Japan.

John D. Rockefeller gave $100,000; the Rockefeller Foundation gave a like amount; the silk association of America raised approximately $150,000; E. H. Gary, chairman of the U. S. Steel corporation gave $150,000.

Ottawa, Canada, Sept. 6—The Canadian government is rushing relief to the stricken area of Japan. All available space in the Empress of Russia, which sailed from Vancouver today, has been filled with emergency provisions.

Editor Says Women Smoke Long Green

(Hopkins Journal)

The editor of the Bedford Free Press was recently in the vicinity of Parnell but will not be in that vicinity again very soon for he has stirred up a hornet's nest by what he said in his paper concerning the trip. Here it is: The editor and family took a trip in to Missouri last Sunday that afforded no end of novel experiences, interesting sights and a good filling of watermelon. We returned to Iowa with a well founded feeling that some of northern Missouri still contains some unplatted and tall uncut areas where roads could be better.

We drove to Stanberry, Mo., by way of Gaynor and Orrsburg, two cross-roads trading points, then south past Harmony church through Ravenwood to near Conception, through Clyde, and then east into Stanberry. This route wasn't so bad but coming home we tried a new route which out of town to the north on the Jefferson Highway. However, the highway turns east into Albany just north of Stanberry so we went on north into the wooded foothills in south of Parnell. It was in this locality that we saw nature as it is. Men in that locality, some of them, go barefooted all summer and the ladies, some of the older ones, smoke the same brand of tobacco as the men. We finally intersected our south bound trail at Orrsburg and returned home well satisfied with the day's outing.—Bedford Free Press.

Called to Chicago

Dr. Henry Hepburn, who arrived in Hopkins last week to visit his parents, Col. and Mrs. James L. Hepburn, was called to Chicago a few days after his arrival to officiate at a funeral and to perform two wedding ceremonies. He went by rail and his son, Malcolm, accompanied by Jimmy Hepburn, drove the doctor's car through for him, leaving the car in Chicago and returning by rail. Mrs. Hepburn who accompanied her husband here is remaining for a longer visit.—Hopkins Journal.

Hopkins Is Observing Traffic Rules

(Hopkins Journal)

C. E. Donlin, former mayor of Hopkins, paid a fine last week for breaking the traffic rules of the town says he knew he was not following orders when he turned in the street without going "around the bend," but was in a hurry and did not object paying the fine provided the money will be an inducement for the city to have the weeds cut in the streets near his home. Others who got in a hurry and were assessed $7.50 each for "cutting corners," are: E. L. Nicholson, Kenneth Hopple, Oliver Young, F. S. Pickett, Roy Behm, C. W. Somme of St. Joseph, W. C. Ulmer, Ed Northover, Phil Dragoo, Geo. Godsey and H. S. Goodrich with "more to follow." Those running with open cutouts will also be fined.

Mexican Jumping Beans

Geo. Hepburn of Hopkins was exhibiting what is called Mexican jumping beans last Saturday, brought from California by his brother, Dr. Henry Hepburn, who recently made a tour of the west. When these beans ripen, they burst open in three sections and when these parts are placed on a table, they cut about as many capers as the much talked of monkey on a pumphandle, doing the slippery slide in a fashion that seems to put to shame the originators of the jazz. Dr. Hepburn says the beans are used by the Mexicans in gambling, placing the sections in a ring and then betting on the bean they believe will be the first to wiggle out of the imaginary enclosure.—Hopkins Journal.

Are Visiting Here

James F. Johnson of Pueblo, Colo., arrived last night for a week's visit with his parents, Judge and Mrs. W. L. Johnson, and his brothers, John C. Johnson of Maryville and Edgar C. Johnson of Burlington Junction. Dr. Gertrude DuVall of St. Charles, Mo., will arrive today for a week's visit at the home of her parents, Judge and Mrs. Johnson. Dr. DuVall will accompany her brother to Colorado where she expects to locate.

Estimated 1,000 Wolves in County

(Hopkins Journal)

The howl of the wolf reminds folks of the early days in Missouri when wolves were a real menace not only to stock but often to human life, the hungry beasts, when in droves, being dangerous to encounter. A few still remain here. Walt Ulmer, residing two miles south of Hopkins, seeing two big grey wolves in his pasture the other morning. The wolves evidently have a den in a big straw stack in the pasture and have eaten up quite a number of fall pigs, making it necessary for Walt to remove the sows from this pasture to a smaller one near the house. It is estimated there are at least a thousand wolves in Nodaway county and the county should offer a bounty in order to get rid of them.

A. F. King of Pickering was here on business Tuesday.

The Great Japan Earthquake
Silks! Silks!

No doubt that you will save big money by buying your silks now. On account of the terrible catastrope in Japan, the silk industry has been ruined with only a small supply of raw silk in the United States. Ninety per cent of the world's supply of silk comes from Japan.

The New York Raw Silk Exchange has been ordered closed indefinitely, being unable to get materials to fill the orders. There isn't any question but what silks of all kinds will double in price within the next thirty to sixty days.

We have never been better prepared to take care of your silk wants than we are now and at prices lower than at any time since the World War.

40 inch all silk Crepe de Chine, a wonderful quality in most any color that you want, now only, per yard $2.00

40 inch Thrushette or All-Tyme Crepe in a large range of colors, a real bargain now at per yard only $2.00

40 inch Canton Crepe, all pure thread silk that would be impossible for you to buy a better crepe at any price, than the one we are now offering at only, per yard $3.50

We have also on display now in our store all those Mallinson's, the world's most wonderfully fine silks, we are sole agents in Maryville for this high class merchandise. Do not fail to see these beautiful creations from ..... $5.00 to $10.00 per yard

Hosiery

Silk Hosiery will be like yard goods, a great deal higher in a very short time.

Our wonderful value in ladies' full fashioned pure thread silk hose at, per pair only $1.89

This is a regular $2.50 value and it will look like almost finding them in a short time. It is our advice that you should lay in a supply of silk hose now.

WEAK, RUN DOWN AND AILING

Lydia E. Pinkham's Vegetable Compound Brought Relief When Other Medicines Failed

Winston-Salem, N. C.—"I was weak and run-down and had trouble with my side. I had been taking medicine for a long time and nothing seemed to do me any good. My husband went to the drug store and he said to the clerk, 'I want the best medicine you have for women's troubles.' He gave him a bottle of Lydia E. Pinkham's Vegetable Compound and it has helped me. In a short time I was able to do my housework, and now I am not only able to do every bit of that and washing and ironing, but I help my husband at the store and feel good all the time."—Mrs. L. K. Myers, 1409 E. 14th St., Winston-Salem, N. C.

Feels New Life and Strength

Keene, N. H.—"I was weak and run-down and had backache and all sorts of troubles which women have. I found great relief when taking Lydia E. Pinkham's Vegetable Compound and I also used Lydia E. Thomas Meighan

in

"The Ne'er-Do-Well"

No need to tell the story. The whole world has read it—Rex Beach's greatest book.

No need to tell how well Thomas Meighan plays the lead. This star's name means to pictures what "sterling" means to silver; what "14 karat" means to gold. And here he is in the most colorful, most appealing, soul-filled role of his career.

No need to tell of the quality of the production. Alfred Green directed it—the man who made most of the tremendous Meighan successes.

In short, here's a production that's guaranteed by the very names connected with it—star, author, director, cast.

It's a picture we could honestly rave about. But we'll let you do the praise-lavishing. You can't afford to miss it!

In the Cast: **Lila Lee, Gertrude Astor, John Miltern, Laurance Wheat** and many others.

BACKACHE IS DISCOURAGING

But Not So Bad If You Know How to Reach the Cause.

Nothing more discouraging than a constant backache. Lame when you awaken, pains pierce you when you bend or lift. It's hard to work or to rest. Backache often indicates bad kidneys. Maryville people recommend Doan's Kidney Pills. Read this case:

Mrs. R. Snyder, 1008 East Third St., says: "My kidneys bothered me for some time and I had a dull pain through my back. I felt tired all the time and could not rest well at night. After using a few boxes of Doan's Kidney Pills the pains let up and the feeling of languor disappeared. My health improved generally." (Statement given October 2, 1912.)

On March 31, 1920 Mrs. Snyder said: "Doan's Kidney Pills have cured me of kidney trouble. Since I used them eight years ago I have had no return of the complaint. I wish to confirm my former statement."

Price 60c at all dealers. Don't simply ask for a kidney remedy — get Doan's Kidney Pills—the same that Mrs. Snyder had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. Adv.

Child-birth

Here is a wonderful message to all expectant mothers!

When the Little One arrives, you can have that moment more free from suffering than you have perhaps imagined. An eminent physician, expert in this science, has shown the way. It was he who first produced the great remedy, "Mother's Friend." Mrs. C. J. Hartman, Scranton, Pa., says:

"With my first two children I had a doctor and a nurse and then they had to use instruments, but with my last two children I used Mother's Friend and had only a nurse: we had no time to get a doctor because I wasn't very sick—only about ten or fifteen minutes." Use "Mother's Friend" as our mothers and grandmothers did. Don't wait, start today, and meanwhile write to Bradfield Regulator Co., BA 46, Atlanta, Ga., for a free illustrated book containing information every expectant mother should have. "Mother's Friend" is sold by all drug stores—everywhere.
